The Beacon Philanthropy and Impact Forum 2027
10 February, The Guildhall, London

The Beacon Philanthropy and Impact Forum is the largest, most influential impact economy event in the UK, offering a platform for leaders to explore the actions that will grow and maximise the potential of impact-led capital.

Bringing together the impact economy's most influential decision-makers, and reaching thousands more through the buzz, content, and conversations it sparks, the event is a high-energy day of curated insights, strategic thinking, and purposeful networking, designed to inspire action and accelerate transformative social change and sustainable economic growth.

The UK's premier platform for impact leadership

What people have said about the Beacon Forum

There is nothing like the Beacon Forum anywhere in the world. I can meet everyone in one place and the energy is phenomenal.

– Matt Beem, Chairman and CEO, Kinetic (2026 Sponsor)

The Beacon Forum has become the Davos of the UK's impact economy.

– Isabelle Hayhoe, Senior Philanthropy Adviser, Barclays Private Bank and Wealth Management (2026 Sponsor)

The Beacon Forum is the signature event in the UK's impact calendar. It brings together from all parts of the impact economy for a programme that just felt so inspirational. Throughout the meeting, held in the incredible Guildhall, people are grouped together talking about how to collaborate to drive more social impact.

– Sonia Chhatwal, Executive Director, The Rigby Foundation

What makes the Beacon Forum special?

Its unique personalised participant experience.

The Beacon Forum provides a personalised experience for each attendee who can choose from a range of activities throughout the day, from plenary sessions that bring everyone together to peer learning workshops, to structured networking. The event app helps delegates navigate the day and connect with others.

Delegates experience:

- **Insight** – Hearing from inspirational thought leaders
- **Learning** – Learning from peers in practical ‘how-to’ workshops
- **Influence** – Engaging directly with government officials and regulators
- **Strategy** – Identifying growth activity and opportunities through peer-to-peer dialogue
- **Networking** – Accessing new contacts and partners through structured networking and an online event platform
- **Development** – Learning and development through a personalised programme of activity (=6 hours of CPD)
- **Energy** – Feeling the power of the impact economy in action

**Our partners enable us to offer
a unique delegate experience**

Who does Beacon Forum reach?

It is where the impact economy meets.

The impact economy is the ecosystem of philanthropists, impact investors and purpose-led businesses working with government and charities to deliver social and economic benefit. It captures an ecosystem of organisations, individuals, and capital that prioritise public benefit over private gain. The UK's impact economy has been sized at £428Bn, representing 15% of UK GDP.

Beacon Forum 2027

What's new in 2027?

Taking four of the Guildhall's premier spaces, in 2027 we will welcome > 650 participants.

- More capacity for workshops, structured networking and exhibition space, creating exceptional opportunities to showcase your positioning as an impact economy leader.
- Headline sponsors and strategic funders will be invited to join our content advisory board, ensuring wider perspectives and reach to address the issues that matter most.

How can I partner with the Beacon Forum?

The range of activities throughout the day, from plenary sessions that bring everyone together to peer learning workshops, to structured networking, offer a variety of partnership opportunities to suit your needs.

Activity	Best for
Plenary sessions	Bring together the whole forum giving maximum exposure for partners.
Roundtable discussions	Intimate small group discussions on strategic themes giving sponsors the chance to really get into the detail of their theme.
Knowledge sharing and peer learning workshops	Larger groups of around 50 people ready to learn giving sponsors the chance to showcase their thinking and engage their peers.
Structured networking	Organised networking giving delegates the chance to connect with a wide variety of attendees.
One to one meetings	Organised one to one meetings giving sponsors the chance to have meaningful engagements.
Exhibition	Stands from across the impact economy in the refreshment area giving sponsors the chance to reach the whole forum.
Drinks reception	Rounding out the day and offering one final chance to network giving its sponsor the chance to stand out from the crowd.

What are the benefits of sponsoring?
